### ANNUAL ACTIVITIES FOR THE YEAR 2018 -2019

#### A) CHILD WELFARE PROGRAMME

The children welfare program has been instrumental in helping the poor and the needy children of the society by helping them get education and other basic needs through this program. During the Financial year 2018 – 2019 Children Have Hope team has been working hard to fulfil the purpose of uplifting the poor and the needy children through social, physical and educational programmes. This year 325 Children have got the privilege to go to good schools and compete with the other children of the society. Many of them have achieved their goal and have come out with flying colours, whereas there are few who have been struggling in their academic performance. This year the CHH team have been instrumental in the children's lives and have been facilitating them in their annual school fees, admission, monthly fees, school uniforms, books and stationery, food, school bags shoes etc. Among the 325 students 27 appeared for their Class 10 examinations while 18 appeared for their Class 12 examinations in March and April. Some of them have successfully completed their examinations with better results while few of them didn't manage to pass the examination.
